

2009 Riesling

“Single Vineyard” Lake County

History

In 1861 Lake County was created from parts of Napa and Mendocino counties and has since been well known as a farming community.

In the 1870s vineyards were planted and by the early 1900s the area was already earning its reputation for producing “**World’s greatest wines**”. Prohibition forced an end to the Lake County wine production in 1920; most of the vineyards were removed and replaced with walnut and pear orchards.

The comeback of the wine industry began in the 1960s when a few growers rediscovered the area’s grape growing potential and once again began planting vineyards. Lake County now has more than 8,800 acres of planted vineyards, which is a significant increase from less than 100 acres they had planted in 1965. This area has also seen the recent establishment of several American Viticultural areas such as **High Valley** and Red Hills-Lake County. We are proud to say that Lake County contains many vineyards that support the California Wine Institute’s Code of Sustainable farming practices

Winemaking Notes

The grapes used to produce our 2008 Shannon Ridge Lake County Viognier were picked from our Morine Ranch block with steep south facing slopes which help create an elegant multi-layered wine with great complexity. The wine was barrel fermented in French oak to help add a rich mouth feel and creamy softness and balance.

Tasting Notes

Color: Clean, Straw like

Aroma: Ripe Peach, Tropical Fruit, Creamy Vanilla

Flavor: Peaches, Cream soda, Citrus

Texture: Soft richness, Lush finish

Technical Data

Alcohol:	14.3%
Total Acidity:	.66
pH:	3.43
Residual Sugar:	.45
Composition/Blend:	100% Viognier
Appellation:	Lake County
Barrels:	French oak
Time in Barrels:	5 months

Cases Produced: 1026

Suggested Retail: \$15.00
