

URGENCY

SAUVIGNON BLANC

2017

The grapes used to produce our 2017 URGENCY Sauvignon Blanc came from the hills and slopes of ultra-premium vineyards in Northern California. A blend from multiple vineyard sites was used to create complexity and balance.

Even before the URGENCY vineyard was planted, Clay Shannon's instincts told him that the blend of volcanic soils would produce full, rich flavors and the long, warm summer days would ripen the grapes perfectly. This special piece of dirt creates wines that do not require long aging, the lush flavors show well upon their release.
