At elevations ranging from 1,400 to 3,000 feet and located at the base of Mount Konocti, once an active volcano, the Red Hills AVA features rolling hills, red volcanic soils, and a lake effect breeze from Clear Lake, one of North America's oldest natural lakes.

### WINEMAKERS NOTES

To retain the freshness of fruit with the delicate oak and butter notes on the finish, we ferment 20% on new oak and 80% in stainless steel tanks. Lush flavors of melon and citrus combined with lightly toasted oak complete this Chardonnay.

*"Rich and fruitful, this Chardonnay pairs with herbed clam linguini or the best of friends and a sunny porch."*
