WINERY & VINEYARDS

2018 SAUVIGNON BLANC

Red Hills, Lake County

100% Sauvignon Blanc

Alcohol: 13.6%

Acidity: 0.73

pH: 3.34

RS: 0.28

SRP \$25

At elevations ranging from 1,400 to 3,000 feet and located at the base of Mount Konocti, once an active volcano, the Red Hills AVA features rolling hills, red volcanic soils, and a lake effect breeze from Clear Lake, one of North America's oldest natural lakes.

WINEMAKERS NOTES

This wine is crafted from 100% Sauvignon Blanc Clone 01 on 101-14 rootstock. The ancient volcanic soil of the Red Hills appellation bring out the lush flavors of this lively wine. We ferment the juice in stainless steel tanks at 55°F (13°C), long and slow, resulting in a flood of crisp pear and granny smith apple aromas filling the glass, perfectly balancing the notes of citrus and guava on the palate.

"The playful spirit of our dogs that guard the sheep in the vineyard is reflected in this juicy and balanced wine – a great daily drinker."

~Joy Merrilees, Director of Winemaking and Production
