At elevations ranging from 1,400 to 3,000 feet and located at the base of Mount Konocti, once an active volcano, the Red Hills AVA features rolling hills, red volcanic soils, and a lake effect breeze from Clear Lake, one of North America's oldest natural lakes.

WINEMAKERS NOTES

The grapes were harvested around the second week of September. After a 24 hour soak, we gently crushed and kicked off the fermentation. Post fermentation, the wine was aged on a combination of French and American oak.

"Aged on French Oak for 15 months, our Vigilance Cabernet Sauvignon has complex layers of black cherry, ripe currant, spice, and dark chocolate. Salute!"
